## Map It Out!

What are your favorite maps? Why do you like them?

What kinds of maps do you use often?

Do you use paper maps?

Do you use maps on your phone, or on the computer? What maps do you use and why?

What kinds of questions can maps help to answer?

Do you have a question about the world that you want to know? What would a map that answers this question look like?

Describe the map that you want to learn how make this week
